Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Sunday 21 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cold but dry with clear skies.

This Evening and Tonight:
Skies staying largely clear overnight with winds easing in the north. This allows temperatures to drop, resulting in a cold night with a risk of frost in sheltered northern locations. Minimum temperature 0 deg C (32 deg F).

Monday:
A chilly start on Monday, but a sunny and dry day follows with clear skies and light winds. Temperatures slightly closer to average but still feeling on the cold side. Maximum temperature 9 deg C (48 deg F).

Outlook for Tuesday to Thursday:
Another largely dry day on Tuesday with sunny intervals, then cloudier on Wednesday with outbreaks of rain later. Turning brighter, breezier, and colder again on Thursday.
